

## TLILIC2001A LICENCE TO OPERATE A FORKLIFT TRUCK

### AMCT Provides Forklift courses for Inexperienced and experienced operators

#### Inexperienced: 2 day course

#### Experienced: 1 day course

#### OBJECTIVE

To provide participants with the knowledge and practical skills required for assessment for the Forklift Truck Operation High Risk Work Licence (HRWL).

#### GENERAL INFORMATION

This program is designed for participants with little or no practical experience operating a forklift. Successful participants will receive a Statement of Attainment for having achieved the requirements of TLILIC2001A Licence to operate a forklift truck.

#### EXPECTED OUTCOMES

As a result of this program, participants will be able to:

- Meet the competency requirements for the National Standard for Licencing Persons Performing High Risk Work
- Conduct pre-operational checks
- Identify danger areas
- Operate a forklift truck safely within limits set by the capacity plate
