

RIIWHS202D ENTER AND WORK IN CONFINED SPACES

OBJECTIVE

This course is designed to provide participants with the skills and knowledge required to enter and work in confined spaces in the workplace.

GENERAL INFORMATION

This one day course is designed for personnel who are required to work in a confined space (enclosed or partially enclosed) for the purpose of carrying out work or inspections. It includes the minimum criteria for competency assessment. The course covers entry and exit procedures, assessment of associated risks and how to operate safely in confined spaces and atmospheric monitoring. Work in confined spaces shall conform to relevant legislation and AS2865/2009, or its Authorised update or replacement.

We can deliver on-site or at our training centre in Kalgoorlie.

PRE-REQUISITE

There are no pre-requisite units for this course. However it is recommended that participants have no fear of heights.

EXPECTED OUTCOMES

- Legislative requirements
- Identify Confined Spaces
- Selection, Use & Maintenance of Personal Protective Equipment
- Understand the Permit System
- Know the Limitations of the Permit
